

LEGENDARY ITALIAN DESIGN AND PERFORMANCE IS COMING TO AMERICA.

Europeans have known for years about the legendary performance of Efco. And now it's coming to the United States in July 2006. Exclusively for independent dealers. Backed by an international company with 30 years of design and manufacturing successes. To learn more about Legendary Italian Design and Performance, call 800-000-0000 or visit www.efcopower.com.

Legendary Italian Design and Performance

LEGENDARY ITALIAN
DESIGN AND
PERFORMANCE.

BACKED BY A
SOON-TO-BE-LEGENDARY
WARRANTY.

Italian engineering means performance. That's especially true in outdoor power equipment, where Efcó has been Italy's top brand for nearly 30 years. It's because we offer innovative features in a full line of tough, reliable hand-held products that are beautifully engineered and built to perform year after year. In fact, our products are backed by Triple Titanium Coverage — an unprecedented 3-Year Limited Warranty. To learn more about our legendary Italian design and performance call 800-000-000 or visit www.efcopower.com

Legendary Italian Design and Performance

Think Outside. The Box.

Think Efco.

Look at things differently. Add Efco premium-grade outdoor power tools to your product offering. Available exclusively for independent dealers — not any big box retailer. Chain saws, string trimmers, augers, and blowers with exceptional engineering and an unsurpassed 3-year Triple Titanium warranty, Efco will change the way you think about outdoor power equipment. For more information, call Ken Speece at (000) 000-0000 or visit www.efcower.com.
